February Topic: “FTB Tax Panel”
Speakers: Karen Brosi and Steve Sims
This month we will have a panel discussion on California tax issues. The session will be transcribed and distributed to the members (thanks to Mike Power).
It is crucial to e-mail your questions to Mike Power (michael.power@PowerInvesting.Net) by the afternoon of Monday, Feb. 19th, if you want to have the best chance of having them answered. Questions will be taken during dinner, but they will be answered in the order received, with all the emailed questions going first. If your question is complex, PLEASE email it in early so the panel will have a chance to research it before the event. Also, sending your question in advance allows Mike to spend his limited time that evening focusing on the answer to your question instead of writing the question itself, so he can transcribe a better answer for you at the event.

As in years past, the transcribed questions and answers will be emailed to everyone on the Chapter NEWS mailing list, so if you’re not signed up for that, go to http://ebaea.org/cgi-bin/dada/mail.cgi and select the NEWS list from the pull-down menu and follow the simple instructions to subscribe to that email list.

Our panelists will be Karen Brosi, EA, CFP®, and Steve Sims, EA, who is from FTB. Steve is one of the few FTB employees you’ll ever meet who is also an EA. He has been with FTB for 22 years (I guess he was about 17 when he started there) and has worked as an auditor, collection supervisor, and project manager. He is currently the manager of Community Services and Small Business Outreach. Steve is living proof that good guys do sometimes wear black hats.

Karen, whom I’m sure most of you know of, has been practicing in Palo Alto for over fifteen years. She is a Certified Financial Planner® and an Enrolled Agent. She was a senior tax specialist and director of financial planning at a respected Palo Alto CPA firm before forming her own practice. Karen is a past-president of Golden Gate Chapter and past officer of CSEA. She lectures with Spidell Publishing, is often a speaker at the Super Seminars, and writes content for Spidell’s CA Taxletter and Elder Client Planner. She is also my own most favorite speaker!

PRESIDENT’S MESSAGE
by Bonnie Buhnerkempe EA, CFP®, CSA

Tax season is upon us. For help with tax questions or for people to commiserate with, remember the small groups in your area. Plus we have the dinner meeting as a great place to get questions answered. Phil Fiegler and Charleen Daefield already have people scheduled for both the February and March dinner meetings to answer our questions.
We finally have the new job position description for the breakdown of the chapter office duties. We have broken the job down to five main functions. This way, more people can become involved without the time demand falling on any single person and to reduce the chance of someone getting burned out. Refer to the descriptions in this bulletin and volunteer quickly, since I know one position has already been taken.

CRITICALLY IMPORTANT - NEW DINNER REGISTRATION PROCESS STARTS NOW!
by Bonnie Buhnerkempe EA, CFP®, CSA
Yes, you no longer have to wait for someone to answer the phone or call you back. You can register for the dinner meeting on-line by going here:

https://www.123signup.com/calendar?Org=ebaea

For now, PLEASE bookmark this URL. We will be working to set up a link directly from our website so when you get the bulletin you can register at the same time. You can even register for the January through June dinner meetings now instead of doing it during tax season. If you are like me I try to get everything off my schedule during tax season except for actually seeing clients and preparing taxes. The first time you go to register you will need to put your name, address, phone, and email address into the system. In the future you will only have to put in your name then proceed with what event you want to register for. When you register you will get an email back confirming your registration.

Addendum from Duncan:
I expect there will be a number of comments regarding this change, so I’d like to spare myself untold hours of explanation by addressing the major issues up front. There are two main reasons for this change.

The first reason is that, in response to the announcement of my resignation and the repeated calls for a new Chapter Office provider, no one stepped forward to fill the existing position. Consequently, we no longer have a labor force to handle registrations, so we had to find a way to automate the function.

The second reason is that too many members have been abusing the reservation policy. Our dinner fee barely covers our costs, so not only do no-shows and at-the-doors mess up the room seating and food supply, we still have to pay for the number of dinners reserved. At the November and December dinner meetings, nearly 20% of those who had reservations failed to show, at an annualized cost to the Chapter of about $3,000. From now on, the only way to reserve your spot is to pay in advance through the website or to buy the annual subscription plan.

THE OLD STANDING RESERVATION LIST IS NO LONGER IN EFFECT. IT IS DEFUNCT IN ALL RESPECTS. You must register online from now on or you will be charged the at-the-door price.

Procedural notes: From now on, all registration (dinners, miniseminars, TaxTalk, etc) will be handled through this website. As Bonnie mentioned, you will need to register once, then just sign in on future visits. You can register (and pay) for as many events as you wish, and you will get email confirmations for every event. There will be no question of postmark date, or phone messages not received, etc.

Those who bought the annual dinner subscription do not need to do anything for dinner meetings. We have already registered you for the remainder of your subscription. You will still need to sign up for other Chapter events as they are announced.

The official cancellation and other policies will be finalized after we get a bit of experience with the system. For now, if you cancel before the deadline we’ll either credit your payment towards a future event or cut you a refund check. If you cancel after the deadline, you can either consider your registration a contribution to the Association or you can find someone to go in your place and notify us accordingly.

Starting in February, we are trying out a test procedure to accept checks. If you do not wish to pay online by credit card, you may send a check to the Chapter Office and we will register you accordingly. Note that the Friday deadline still applies, so please call or email us to let us know you’re sending in a check.

EBAEA AMBASSADORS
In an effort to promote networking and member retention, the East Bay chapter is launching an exciting opportunity. We are looking for Ambassadors to “work” the monthly dinner meetings. The role of the Ambassador is pretty simple: 1) When a new member comes to their first few meetings and is trying to get to know people, be willing to introduce them around, invite them to sit at your table, and include them in conversations. Have you considered yet a way to be involved? Is this something you can do? Well, can you answer warmly when a stranger comes to ask you a question? Can you introduce people? If you said yes, you could be an Ambassador! And best of all, this does not require a once-a-month-for-a-whole-year commitment. Can you do this for at least 3 meetings a year? This will also be a great way for YOU to meet some of the new members that come in and be instrumental in making them see the benefit of coming back.
If this Ambassador Program sounds like something you can help us with, please contact Judi Gilmer, EA at 925-373-1468, or call the Chapter Office at (800) 617-1040. No one should ever leave a dinner meeting feeling like an outsider. The East Bay Chapter is about Education and Networking, and the first contact for that is at our dinner meetings. You CAN make a difference in another EA’s career!
