NEW REGISTRATION PROCEDURE – YOU MUST READ ARTICLE ON PAGE 2

March Topic: “IRS Tax Panel”
Speakers: Joe Calderaro and Karen Brosi
This month we will have a panel discussion on Federal tax issues. We have our long-time friend Joe Calderaro, IRS Technical Coordinator for Northern CA District, blessing us with his considerable wisdom again. We also have Karen Brosi again. You all know who she is, so I am not going to repeat her bio from last month. The session will be transcribed and distributed to the members (thanks to Mike Power).

It is crucial to e-mail your questions to Mike Power (michael.power@PowerInvesting.Net) by the afternoon of Monday, March 19th, if you want to have the best chance of having them answered. Questions will be taken during dinner, but they will be answered in the order received, with all the emailed questions going first. If your question is complex, PLEASE email it in early so the panel will have a chance to research it before the event. Also, sending your question in advance allows Mike to spend his limited time that evening focusing on the answer to your question instead of writing the question itself, so he can transcribe a better answer for you at the event.

As in years past, the transcribed questions and answers will be emailed to everyone on the Chapter NEWS mailing list, so if you’re not signed up for that, go to http://ebaea.org/cgi-bin/dada/mail.cgi and select the NEWS list from the pull-down menu and follow the simple instructions to subscribe to that email list.

PRESIDENT’S MESSAGE
by Bonnie Buhnerkempe EA, CFP®, CSA
Yes, it is March already and we are in the thick of Tax Season. Take a depth breath, it may be the first one you have had in a while. We have to take care of ourselves, especially this time of the year, or we won’t be able to take care of our clients. Remember to come to the dinner meeting in March to get that weird tax question answered and to eat a real dinner (which you probably haven’t had since the season began). If you have time you can even register for the May dinner meeting on ethics at the same time you are registering for March. See you at the dinner meeting.

WE’VE GOT ETHICS COVERED!
by Phil Fiegler EA, CPA, Program Co-Chair
If you are wondering where you will pick up your 2 hours of ethics this year, please look no further! For our May meeting on Wed. May 16th, Irene Lawrence, the current President of CSEA, will be giving a 2-hour ethics presentation. She is an excellent speaker. The fee for this meeting will be $10 higher than the normal dinner meeting due to the extra hour of education. You may reserve space at this meeting now at the registration web site. Mark your calendars - don’t miss this event!
CRITICALLY IMPORTANT - NEW DINNER REGISTRATION PROCESS STARTS NOW!
by Bonnie Buhnerkempe EA, CFP®, CSA

Yes, you no longer have to wait for someone to answer the phone or call you back. You can register for the dinner meeting on-line by going here:

https://www.123signup.com/calendar?Org=ebaea

For now, PLEASE bookmark this URL. We have set up a link directly from our website so when you get the bulletin you can register at the same time. You can even register for all dinner meetings through June now instead of doing it during tax season. If you are like me I try to get everything off my schedule during tax season except for actually seeing clients and preparing taxes. The first time you go to register you will need to put your name, address, phone, and email address into the system. In the future you will only have to put in your name then proceed with what event you want to register for. When you register you will get an email back confirming your registration.

Addendum from Duncan:

I expect there will be a number of comments regarding this change, so I’d like to spare myself untold hours of explanation by addressing the major issues up front. There are two main reasons for this change.

The first reason is that, in response to the announcement of my resignation and the repeated calls for a new Chapter Office provider, no one stepped forward to fill the existing position. Consequently, we no longer have a labor force to handle registrations, so we had to find a way to automate the function.

The second reason is that too many members have been abusing the reservation policy. Our dinner fee barely covers our costs, so not only do no-shows and at-the-doors mess up the room seating and food supply, we still have to pay for the number of dinners reserved. At the November and December dinner meetings, nearly 20% of those who had reservations failed to show. Consequently, we no longer have a labor force to handle registrations, so we had to find a way to automate the function.

The second reason is that too many members have been abusing the reservation policy. Our dinner fee barely covers our costs, so not only do no-shows and at-the-doors mess up the room seating and food supply, we still have to pay for the number of dinners reserved. At the November and December dinner meetings, nearly 20% of those who had reservations failed to show, at an annualized cost to the Chapter of about $3,000. From now on, the only way to reserve your spot is to pay in advance through the website or to buy the annual subscription plan.

THE OLD STANDING RESERVATION LIST IS NO LONGER IN EFFECT. IT IS DEFUNCT IN ALL RESPECTS. You must register online from now on or you will be charged the at-the-door price.

Procedural notes: From now on, all registration (dinners, miniseminars, TaxTalk, etc) will be handled through this website. As Bonnie mentioned, you will no longer have to wait for someone to answer the phone or call you back. If you cancel after the deadline, you can either consider your registration a contribution to the Association or you can find someone to go in your place and notify us accordingly.

Starting in February, we are trying out a test procedure to accept checks. If you do not wish to pay online by credit card, you may send a check to the Chapter Office and we will register you accordingly. Note that the Friday deadline still applies, so please call or email us to let us know you’re sending in a check.

TAX SEASON – RESPECT YOUR CLIENTS, RESPECT YOURSELF
By Gary Ansbach, EA, North Bay Chapter President

Another tax season is upon us. This is a time of exhilaration and apprehension. Amidst the various preparations for tax season such as scheduling, sending organizers, hiring staff and learning the changes in our software, we serve ourselves well by remembering that psychological and emotional preparation is equally important.

It’s difficult to be calm in April if you approach February in a frenzied state of mind. Our goal is to achieve and maintain a balance between taking care of our clients and taking care of ourselves, recognizing that taking care of our clients is a significant component of taking care of ourselves. However, when we feel stress and the calm and patience we desire is elusive, we have forgotten that many of our relationships with clients closely resemble a parent-child relationship. Some children are more difficult than others, but they all need our patient guidance, even if that means we have to explain something several different ways before they understand.

It is our job to figure out a way to ease the client’s frustration and confusion.

The more you like your clients, the more you will like yourself. When the inevitable frustrations and feelings of being overwhelmed appear, it is critical to take care of yourself so that you may rediscover the calm and patience necessary for effective and efficient performance. Whatever works for you – such as exercise, meditation, time with your family or commiserating with colleagues - do it now! Too often we tell ourselves we can’t afford the time when the reality is we can’t afford not to take the time. Diligent attention to the fluid, delicate balance required to maintain a positive attitude towards your clients, your work and yourself will keep you sane and healthy.
IRS E-FILE COMPLIANCE VISIT
By George Crozier, EA

I was visited by a field auditor on special assignment to verify e-file compliance (this is not a new program as I was first visited in 1995). They called about 1 week in advance to schedule the meeting and I was told to set aside about 2 hours for the interview.

The interview was about procedure in being sure 8453 or 8879 forms are signed before submission, EIC 8867 checklists are maintained, identities of taxpayers are confirmed, security, and retention of records. The auditor was under the impression that a copy of signed 8453 or 8879 was to be given to each taxpayer, but we later confirmed that it was only required, if requested. The auditor was under the impression that all records needed to be in locked cabinets and we are still researching that issue. Many of the questions were poorly worded - e.g. do you accept "typed, handwritten or altered W-2's" and indicate them as nonstandard - I think the questions should be "altered (typed or handwritten)" meaning any form of altered W-2, as opposed to simply receiving a typed W-2 or a handwritten W-2.

I was requested to print a list of my e-file clients to date. Ideally the auditor wanted a list of the filing date, which I had difficulty creating from the software. My listing showed the acknowledgement date, or most current status date. The auditor then randomly selected about 15 returns and wanted the signed e-file form, W-2/1099 forms, 8867 and a copy of the return as filed.

The total time in office was 4 hours. At the end the auditor issued a report addressing these areas:
- 8633 (Verify EIC claims)
- 8453/8879 (Maintained signed forms before filing)
- Acknowledgement Files (maintained for adequate period)
- Tax Return Electronic Portion (maintained for adequate period, handling of rejects)
- Refund Anticipation Loan/ other bank products
- Security
- Advertising (no use or IRS logo or association as IRS approved, etc)
- Forms W-2, 1099 (verification of income from good forms)
- Physical Checks (visibility of client records to the public, signage)

And a final rating as Compliant - Warning - Proposed Written Reprimand - Proposed Suspension - Immediate Suspension - Expulsion

Unfortunately I did not receive a copy of the questionnaire, so I am sure I have missed some points. I think most of us have nothing to fear, but I hated giving up all of that valuable time in the 1st week of February.

NEW SMALL GROUP IN CASTRO VALLEY
by Dagmar Bedard, EA

PROPOSED BYLAWS CHANGE
by Duncan Sandiland, EA, Nominating Chair

The size of the Board has been an issue contemplated since the creation of the EBAEA Strategic Plan several years ago. The current size of the Board makes it too easy to focus on administrative matters and harder than necessary to form quorums, consensus and policy. Reducing the Board size would be a major step forward in concentrating the function of the Board to its true purpose: setting basic policy for the Association. Upon review of other Chapters and organizations, it appears that the most effective Board size for our association is on the order of ten seats. We have six required Officer positions, so reducing the Board to ten seats would over-weight the Officers against the Directors. Reducing the Board to twelve seats would give six voting Directors and five voting Officers (tiebreaking President not voting), retaining the ultimate authority in the “outside” directors.

**PROPOSED BYLAW AMENDMENT: The first sentence of Article 4.02 of the Bylaws shall be amended from the current text: “The Board consists of 15 persons: President, First Vice-President, Second Vice-President, Secretary, Treasurer, the Immediate Past President, and nine members selected from the membership at large, all of whom must be active members in good standing of the Association.”

Per the Bylaws, the presentation of this item at the February Board meeting requires publication in the March, April and May Bulletins, and presentation to the membership at the Annual Meeting in May. This proposal has received the non-binding approval of the Board of Directors. It will be submitted for the approval of the membership before the election of next year’s Officers and Directors. The proposal will require a simple majority of the votes cast at the Annual Meeting to pass. Should it pass, it will be effective immediately.

EBAEA AMBASSADORS

In an effort to promote networking and member retention, the East Bay chapter is launching an exciting opportunity. We are looking for Ambassadors to “work” the monthly dinner meetings. The role of the Ambassador is pretty simple: 1) When a new member comes to their first few meetings and is trying to get to know people, be willing to introduce them around, invite them to sit at your table, and include them in conversations.
Have you considered yet a way to be involved? Is this something you can do? Well, can you answer warmly when a stranger comes to ask you a question? Can you introduce people? If you said yes, you could be an Ambassador! And best of all, this does not require a once-a-month-for-a-whole-year commitment. Can you do this for at least 3 meetings a year? This will also be a great way for YOU to meet some of the new members that come in and be instrumental in making them see the benefit of coming back.

If this Ambassador Program sounds like something you can help us with, please contact Judi Gilmer, EA at 925-373-1468, or call the Chapter Office at (800) 617-1040. No one should ever leave a dinner meeting feeling like an outsider. The East Bay Chapter is about Education and Networking, and the first contact for that is at our dinner meetings. You CAN make a difference in another EA’s career!

**NEW CHAPTER OFFICE DUTIES**

**HUMOR (thanks to Bob McKenzie)**

“The government deficit is the difference between the amount of money the government spends and the amount it has the nerve to collect.”

“Behind every man who achieves success, stands a mother, a wife and the IRS” - Ethel Jacobson

A financial planner suggested to a wealthy client that he should invest in a circus. The client expressed great surprise at such an unusual recommendation: “A circus? Why on earth should I buy into a circus?” The financial planner replied: “Because of the elephants.” The client, puzzled even more, then asked: “The elephants? What is the connection between circus elephants and investments?” The financial planner asked: “Well, do you know much it costs to feed an elephant?” The client, slightly annoyed, responded: “No, of course I do not know much it costs to feed an elephant.” The financial planner explained: “Well, neither does the IRS Commissioner.”
