September Topic: “Passive Activities”
Speaker: Connie Ferrell, EA (CSEA President)
By Cherry Comstock, EA, Program Chair
This month we are honored by a visit from our organization’s leadership, as California Society of Enrolled Agents President Connie Ferrell will be our speaker. The session will concentrate on a review of Passive Activities. We have lived with passive activity rules for 20 years. We depend on our computer programs to get the deductible losses and carry-overs correct. We will cover passive activity rules, at risk rules, rental real estate rules, and real estate professional rules to sharpen our skills to be ready for IRS audits in these areas.

Connie Ferrell EA has been an Enrolled Agent since 1989 and an NTPI Fellow since 1991. Connie has worked in tax preparation, bookkeeping and representation for over 40 years. Connie is President of Flavin and Associates Inc and along with her brother, Tim Flavin EA, practice in the small foothill town of Soulsbyville, California. Connie was honored by CSEA as Enrolled Agent of the Year and presented with the Distinguished Service Award in 2003. Connie was Chair of the Professional Education Production Committee 2002-2006, Chair of Tax Agency Liaison Committee 2002, Chair of Awards 2000, Treasurer 2006-2007 and President of CSEA 2008-2009. Connie has spoken at various chapter events and California State Tax Agency Representation (CSTAR) classes. Connie specializes in complicated individual returns, corporation, partnership, trust, and estates returns, and representation. Connie also chairs a Win-Win panel with the local IRS offices in Modesto and Stockton to keep the lines of communication open and share experiences.

PRESIDENT'S MESSAGE
by Peggy Hall, EA
I hope you are enjoying your summer. Congratulations to Marjorie Williams-Jones and Vince Saponara, new graduates of the National Tax Practitioner Institute. They are added to the ranks of our many Members who are now “fellows.” NAEA and CSEA offer full and partial scholarships to NTPI and other educational offerings. Both Duncan Sandiland and I have received scholarships so do not be shy about submitting an application. There are many exciting educational opportunities in the next few months including the State Tax Liaison Meeting and Town Hall. I especially want to point out that we have at least one nationally renowned speaker at our own TaxTalk: Bryan Gates, who taught the Advanced Tax Academy in Baltimore. TaxTalk is a great way to get CPE and support our Chapter. Don’t miss it!

Last week I attended the NAEA annual meeting, Board of Directors meeting and NAEA Education Foundation meeting. It was great to meet EA leaders from around the U.S. It was especially rewarding to meet EAs with whom I have communicated on the web board, to be able to put a face with the words. David Hatt, EA NAEA President, presented the Town Hall Meeting topic “How Today’s Economic Situation Is Affecting You,” what are we doing for our clients and for our members in this economy. It was interesting to hear that not all
ASK THE ATTORNEY

(Associate Frank Acuña answers questions frequently asked by our clients (and us). These are general answers and are NOT legal advice. For clarification or other questions, contact Frank at (925) 906-1880 or at ohc@aclawnet.com)

I’m clearing up past tax returns for a client’s deceased brother. Decedent has a qualified annuity of about $195,000 with no trust and no beneficiary named. What is the best way to take this money out, 5 year or lump sum? Does it matter? The bank says it will only make checks payable to an estate. So, if 5 year, leave the estate open? HELP!

There are a couple of issues here. If the bank will only distribute to an estate, is there a probate estate open? If not, then client will need to file a petition for probate in order to obtain letters testamentary upon which the bank will rely to open a payee bank account. After that, the probate court will require that you file an estate 1041 to recognize any income. Therefore, you would have two options:

1) Close the estate in the same tax year as the money is received. You would then report the income component as distributable per Form 1041, Schedule B, and the individuals would pick up the income at their lower rates on their 1040s; or,

2) Take income and report over multiple years (e.g., paid in 2008, but no court order to distribute until 2009). This would probably result in reporting and payment due on the estate’s 2008 Form 1041 at the higher fiduciary rates, and passing through a much smaller amount of interest income while the proceeds are on deposit during 2009 (which would then be passed through to the individuals’ 1040s).

The worst situation would be a 5 year payout. No one wants to deal with a five year probate, least of all the courts. My recommendation is to try one more time to get the annuity paid to the heirs at law. If that doesn’t work, file the probate ASAP, but delay demanding payment to the probate estate until 2009. Then, when payment is received during 2009, close the estate in the same year and obtain an order to distribute to heirs, so that the 2009 Form 1041 recognizes the lump sum annuity distribution and passes it through to the distributees’ 1040s.

As the mortgage crisis deepens, the focus of questions is shifting from “what do I do?” to “what is a recourse loan vs. a non-recourse loan?”

Under California law, a “recourse” loan is one in which the lender may pursue the borrower for any shortfall after foreclosure on the security. All loans are “non-recourse” unless they fall within one of the following exemptions.

1) When the loan is made to purchase a one to four unit property and the borrower intends to reside in it; or,
2) When the seller carries back financing for all or a portion of the purchase price for any real property (including commercial, lots, residential, whatever); or,

3) When the terms of the note and security instrument expressly state that the obligation is “non-recourse.” Note that “non-recourse” protections may be lost in the following circumstances:

1) The loan has been re-financed:

2) When the loan is for more than the fair market value (FMV) of the property at the time the loan is made. In either case, the loan is no longer a purchase money obligation.

Now for the fun part: calculating taxes after foreclosure. As to recourse debt, you need a two-step approach. First, the difference between FMV (amount realized at foreclosure) and adjusted basis is recognizable gain or loss. Second, the difference between FMV and the amount owed may result in forgiveness of debt income:

<table>
<thead>
<tr>
<th>Description</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>FMV</td>
<td>$250,000</td>
</tr>
<tr>
<td>Less Adjusted Basis</td>
<td>$200,000</td>
</tr>
<tr>
<td>Capital Gain</td>
<td>$ 50,000</td>
</tr>
<tr>
<td>and</td>
<td></td>
</tr>
<tr>
<td>Cancelled Debt</td>
<td>$300,000</td>
</tr>
<tr>
<td>Less FMV</td>
<td>$250,000</td>
</tr>
<tr>
<td>Ordinary Income</td>
<td>$ 50,000</td>
</tr>
</tbody>
</table>

If more is realized at foreclosure than the amount owed, you only have capital gains to worry about because the loan is fully paid and there is no forgiveness of debt.

What about non-recourse debt? There is no forgiveness of debt problem. However, the recognizable gain is the difference between Adjusted Basis and the Canceled Debt:

<table>
<thead>
<tr>
<th>Description</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Cancelled Debt</td>
<td>$300,000</td>
</tr>
<tr>
<td>Adjusted Basis</td>
<td>$200,000</td>
</tr>
<tr>
<td>Capital Gain</td>
<td>$100,000</td>
</tr>
</tbody>
</table>

**SCHOLARSHIPS AWARDED**

*By Thomas Johnston, EA, SEE Class Chair*

CSEA recently awarded scholarships to three of East Bay’s SEE Class Students. Louise Franco, Randall Epling, and William Stone all received scholarships for the total tuition they paid for last summer’s Special Enrollment Exam Preparation Class. Congratulations!

With the formation of the new CSEA Education Foundation scholarships will be awarded four times a year, instead of once a year as done previously. Scholarships will also be available to both members and non-members of CSEA. Hence, scholarships will not only be available for SEE Classes, but also for NTPI and other programs that advance and enhance the student's profession. CSEA awards scholarships for classes already taken as well as classes that will be taken in the future.

NAEA also awards scholarships for SEE Classes and NTPI and other programs of merit. NAEA’s scholarships are also available for both members and non-members of the association. Applications for NAEA’s scholarships must be made at least two months prior to the beginning of the class and must be received by May 30th of each year.

Applications are on the csea.org and naea.org web sites. For assistance and more information contact Pam Bayer at 925-356-5645.

**COMPREHENSIVE CPE**

Are you interested in enhancing our educational program with a full course of study in taxation? Do you know someone who could benefit from such a program? We are interested in your comments and suggestions…

Chapter member Ronald J. Hanson, EA (Danville) would teach and help launch the program through EBAEA. Mr. Hanson has been an enrolled agent since 1984, he has been in private practice since 1979, he holds current California College Teaching Credentials in accounting, and he has extensive experience teaching classes in accounting and taxation.

Program description: A course of study in tax law, theory, practice and procedure covering individuals, partnerships, corporations, estates and trusts with emphasis on passing the IRS Special Enrollment Examination (SEE) and representing taxpayers before the IRS. 4 separate sections over a one-year period: 152 hours CPE credit for EAs, CTEC and other tax practitioners. Wed 6:00 PM to 9:50 PM.

Section I: Tax Law: Individuals  
Section II: Tax Law: Corporations, Partnerships, Estates & Trusts  
Section III: Tax Law: Practice, Procedure and Representation  
Section IV: Tax Law: Review and Prep for EA exam (Current SEE class offered by EBAEA)

This will be open enrollment, so you can take one, some or all the classes, it’s up to you and it’s great for review, refresher, client problem solving, CPE credit and much more. The 38 class meetings are each designed to be mini-seminars, collectively making up a full course of study to become an Enrolled Agent. Please contact Ron directly with your comments and suggestions. Ronald J. Hanson, EA, taxhotline@comcast.net or (925) 736-4842.

**CONGRATULATIONS NEW FELLOWS**

The National Tax Practice Institute is an “if you understand, no explanation is necessary; if you don’t, no explanation is possible” program. Simply put, it’s the best school for learning how IRS works. Only enrolled practitioners (EA, CPA and attorneys) can attend, and you must attend all three years to graduate and become a
Fellow. But for those who make the effort, it’s like opening an Aladdin’s cave of tax wonderment.

As Peggy mentioned earlier, this year two East Bay Members finished the program and became Fellows. Fellows, please join me in welcoming Vince Saponara, EA and Marjorie Williams-Jones, EA to our ranks. Non-Fellows, please ask Vince and Marjorie why they spent the time and effort to complete the whole program. That could be the most important question you ask in your career…

**MARK YOUR CALENDAR!**

This year Tax Talk will be held on November 5th, 6th and 7th, at the Radisson Hotel in Dublin. Three days of quality education and updates, a total of 24 hours of continuing education that includes 2 hours of required ethics.

The seminar will cover important topics that focus on some of the most current issues.

Each day begins with continental breakfast. Lunch is provided and there are 3 selections to choose from each day. Snacks will be served during the afternoon break.

Wednesday morning begins with Mel Kreger and how to demystify Form 1041. Then in the afternoon Frank Acuna presents Trust Administration and Trust Funding. Then we end the day with the ever-wonderful Joe Calderaro solving all your weird IRS issues. Wine, soft drinks, and cheese will also be served.

Thursday brings Gary McBride and Tom Daley with an in depth analysis of the all important Federal and California updates. Gary and Tom will also bring us up to date on the hot topic of the “new foreclosure rules”. This is an all day seminar. The day ends with vendor drawings.

Friday starts out with Lloyd Kendall on 1031 Concepts. Learn about exchange related issues. Late morning we have 2 hours of “required ethics” with Jim Southward and what the new Circular 230 changes mean to you. The day closes with Bryan Gates and on IRS due process and disclosing or using tax return information.

Please review the attached flyer for more details (including lovely lunch choices) and feel free to email Bonnie at bonniebuhnerkempe@comcast.net with any questions. See you in November.

**PRACTICE PRESERVATION GROUP**

By Linda Fox, EA, Practice Preservation Chair

Have you considered the following:

- Would you be willing to give a three to four hour time commitment per week to aid in the preparation of returns for an ill or disabled Member Enrolled Agent?
- If being willing to give aid during an emergency was the cost of being able to receive aid during an emergency, would you be willing to participate?

Last year the chapter revived a program we had many years ago - The Practice Preservation Group. The purpose of this program is to provide assistance to members of the Chapter (and their families) should the member become incapacitated or die. The goal is to provide short term assistance so that the value of the practice is not lost.

To initiate a response, it is necessary that a participant, or a representative or survivor, knows to call the Chapter Office. The Chapter Office then contacts the Chair of the Practice Preservation Committee who organizes volunteer Enrolled Agents to do what they can to protect the practice. Volunteers are asked to provide 3 to 4 hours per week maximum and will be compensated at 50% of fees charged by the office.

Don't procrastinate another day. Download the forms and instructions from the Chapter Web Site or call the chapter office for forms and return the completed forms to the chapter office by January 31st. For more information call Linda Fox, EA at 925-846-5913.

**PUBLIC INFORMATION AWARENESS**

By Dagmar Bedard, EA, PIA Chair

Public Information Awareness (PIA) Objective: To enhance the visibility and recognition of Enrolled Agents as “The Tax Professional”

As your Chapter PIA Chair, I am looking for a few volunteers to assist in our Chapter’s PIA efforts for this coming year. We will be working to get our message out to the general public, to students, and to other professional associations throughout the areas we serve. Skills in speaking, writing, or editing would be useful but not required. For more information or to volunteer for the Committee, please contact me at 510/537-3883 or tax@dagmarbedard.com. (You might just have fun!)

Partnership and S Corp Shareholder Basis
Presented by Alma Guenther, EA
Friday, October 17, 2008  9:00 am to 1:00 pm (C)

Basis is very important. The basis of a partner or shareholder determines what losses can be taken and what losses have to be suspended and carried forward to future years. It determines whether withdrawals and distributions are taxable or not. It determines the tax liabilities at time of liquidation and dissolution of the entity. Not taking into account your client’s basis can drastically change the tax due on the client’s personal return.
Each seminar offers four (4) hours of CPE
