October Topic: “What’s Hot in International Tax Compliance for Individuals”

Speaker: Carlos Zepeda, IRS

By Cherry Comstock, EA, Program Chair

This month should prove to be full of information! We are all going to get updates on the issues that face our clients with regard to international tax compliance. Our speaker presented this topic at the IRS National Tax Forum and the response to the topics and our speaker’s expertise had questions going on two hours after the close of his presentation. Our speaker made himself available to all who needed help.

Carlos Zepeda is a Senior Policy Analyst with the International Office of the IRS. Among other international program assignments, Carlos handles foreign earned income exclusion matters and has principal oversight responsibility for the individual expatriation program.

Prior to joining International, Carlos held various senior manager positions within the IRS, including Territory Manager for Stakeholder Partnerships, Education and Communication, Chief of the former Northern California District Office Research and Analysis office, and Revenue Agent Group Manager. Carlos is a graduate of California State University, Sacramento. Your attendance at this presentation will be well worth your time.

PRESIDENT’S MESSAGE
by Peggy Hall, EA

My fellow busy EAs. Aren’t we in a wonderful profession? Work hard and play hard. Ask not what you can do for the IRS, but what you can do for your clients. Ask not what your Chapter can do for you but what you can do for your Chapter. This brings me to the topics for this message: client service and Chapter activities.

My next President’s message will be about client service. I would like you to email me halloftax-es@hotmail.com your ideas on “What do my clients want in a nutshell?” and “How I retain my clients?” For example, my clients want to know I welcome their questions and will always respond in a timely matter. When I am out of town my employee (my husband) will check my emails for important client messages and either relays questions to me or replies that I will respond when I return from my travels. Another EA shared that for many of her clients she automatically files an extension if they have not been in; her clients appreciate that they have not been forgotten. I am sure there will be some great ideas I can share that may help other EAs, and especially those just developing their own practices.

I am not sure you all know that our Chapter this year has been plagued with illnesses. First, the President-elect developed health issues and had to refuse the position. So the 2nd Vice President gave up her summer dreams of hiking the Pacific Crest Trail and took on the position. Then our Tax Talk Chairperson who almost single-handedly ran our main fundraiser for the year had to step down because of illness. A Past President who was anticipating some time off from EBAEA stepped up to the plate to Chair the event and find other volunteers
to help. Now one of our Board of Directors, Dagmar Beldard, EA, had to step down because of illness in her family. Immediately a very energetic EA, Patty Pringle, has agreed to take her position on the Board of Directors. Your Officers are trying to serve your needs, and are looking for your help and your feedback.

Our Board of Directors is exploring some opportunities to promote the name of Enrolled Agents. Remember it is the job of all of us to promote the designation of the EA. Take “If you pay taxes, you should know about Enrolled Agents” brochures and pass them out everywhere you go. These are available from CSEA at a nominal cost. Offer to speak at local service clubs and explain what we do. When explaining what an enrolled agent is, explain that an enrolled agent "performs CPR - consultation, preparation, and representation. Non-EA's can do CP, but not CPR. Just like you need full CPR for medical purposes, we want taxpayers to be able to have CPR for tax purposes." Then you can go into the federal license as our credential. Do not be shy; speak up about how you help your clients. Let the public know your heroic efforts to represent taxpayers.

Have you wanted to attend small group meetings or dinner meetings but have not found the time? Are you interested in networking with other EAs? Send me your email address (to halloftaxes@hotmail.com) and I will put together an email-networking group. You can ask questions and share with each other by email. I ask email questions of my breakfast group and have lots of answers to choose from. It is extremely enlightening and fun as well as another way to get involved in our Chapter.

Our new website is up and is waiting for you to explore. We want your input. Please contact the Chapter office, EBAEA@ebaea.org, 1-800-617-1040, with your ideas and comments. For the October dinner meeting bring noisemakers and party hats (especially Kim K., Jerrilyn, Kristy H. and Dick G.) TO CELEBRATE THE END OF TAX SEASON 2008. Bring your war stories.

ASK THE ATTORNEY
(Attorney Frank Acuña answers questions frequently asked by our clients (and us). These are general answers and are NOT legal advice. For clarification or other questions, contact Frank at (925) 906-1880 or at ohe@aclawnet.com)

How do the new Domestic Partnership laws affect my estate plan?

While there are significant benefits to same sex partners under new legislation, California domestic partnership does not apply to federal tax law or benefits. Furthermore, there is great confusion within California and in other states as to what a California domestic partnership means.

Domestic partners should not rely on registration alone to guarantee an inheritance or other rights. Just like married partners, domestic partners should create a complete estate plan, which may include premarital agreements, wills, trusts, and powers of attorney.

We have a trust, but recently refinanced our home. How can I tell if the house was returned to the trust?

A good attorney will ask their title company representative to check title for you. If necessary, he can create and record a deed for you to return your property to the trust, saving your estate the potentially high cost of a probate if the real estate is not in your trust at time of death.

BULLETIN REQUEST

*By Cherry Comstock, EA, Program Chair*

Our bulletin is a tool for each of us. I look forward each month to the arrival of the newsletter. Discussions with Duncan have provided many jumping off points to, perhaps, add value to the content of the newsletter. Added value will require some input from membership. There are many areas that could interest each of us. We must collaborate in order to make this happen. I challenge each of you to contribute regularly to our Bulletin. Some types of contributions can be as simple as a new, useful internet link you found. Or maybe you attended a seminar or meeting for the first time and received some benefit (especially those “unexpected benefits.”) Another good news item are the human interest side of your tax return, maybe even the “pro bono” work that you do because it’s the right thing to do and don’t think anyone is interested. Best of all, maybe you are trying something new. Whether you have positive or negative results, one of the greatest things about membership is we can all benefit from each other’s experience. Give me some feedback. Let me know what you want. I will work with Duncan to assemble your ideas. Wouldn’t it be great if Duncan had too much to print?? Email me at cherry@jettax.org or call me at 925-778-0281.
Our CSEA Board/Committee meetings are open to all membership. At the same time as the board meeting, committee meetings also are conducted. The PAC Committee meeting is where I first encountered Gary. You are not only welcome, but also encouraged to attend these meetings. For my purpose, it was time well spent. My goal is to escort at least one person who has never attended to the January meeting. Will you join me in Sacramento? Email me at cherry@jettax.org or call me at 925-778-0281.

PIA PUBLIC RELATIONS PROJECT

By Don Wayne, 2nd Vice President

The goal of our new public relations program is, “To enhance the visibility, recognition and preferred acceptance of EAs, Enrolled Agents as ‘THE’ Tax Professionals’ and to promote CSEA Members to the general public.”

We have hired Trezek Public Relations to help us achieve our goal. As a first step, Trezek Public Relations will submit a proposal for a public awareness/branding plan outlining the elements of a sustained campaign to be implemented over a period of 12-18 months. In discussion with Peggy Hall EA, Lonnie Gary EA, and Don Wayne EA, there was agreement that to some degree the basis of the plan would benefit from the development of a brief survey of the EBAEA membership to ascertain interest in participation and to solicit material to be incorporated into the subsequent campaign plan. The draft of the survey will be ready for discussion at our next board meeting.

PAC PUBLIC RELATIONS PROJECT

By Cherry Comstock, EA, Program Chair

What would you give to pick someone’s brain that has been in practice for forty plus years? The September 2008 CSEA Board Meeting provided me with just such an experience! Our PAC chair, Gary McKinsey, EA, was such an enthusiastic leader that I couldn’t help but smile every time he said anything at the PAC meeting Saturday morning. Later that day I was sitting in a lone chair, by myself, and Gary approached me. We began a conversation that covered so many bases. What a charming, generous man Gary is. He spent close to an hour just taking time to talk to a new face. Gary’s outgoing spirit exemplifies that of all members in attendance, and this man has such a wealth of experience. My time at the meeting was greatly enhanced by this unexpected encounter. FYI, it was one of many unexpected encounters!! Our CSEA Board/Committee meetings are open to all membership. At the same time as the board meeting, committee meetings also are conducted. The PAC Committee meeting is where I first encountered Gary. You are not only welcome, but also encouraged to attend these meetings. For my purpose, it was time well spent. My goal is to escort at least one person who has never attended to the January meeting. Will you join me in Sacramento? Email me at cherry@jettax.org or call me at 925-778-0281.

PUBLIC INFORMATION AWARENESS

By Don Wayne, 2nd Vice President

Public Information Awareness (PIA) Objective: To enhance the visibility and recognition of Enrolled Agents as “The Tax Professional” (continued...)
Dagmar Bedard, our Chapter PIA Chair, has stepped down due health concerns with a member of her family. I am looking for a few volunteers to assist in our Chapter’s PIA efforts for this coming year. We will be working to get our message out to the general public, to students, and to other professional associations throughout the areas we serve. Skills in speaking, writing, or editing would be useful but not required. For more information or to volunteer for the Committee, please contact me at (925) 472-0990 or Don@DonWayne.com. (You might just have fun!)

PRACTICE PRESERVATION GROUP
*By Linda Fox, EA, Practice Preservation Chair*

Have you considered the following:
- If you were to become ill or disabled during tax season, would you have a need for tax help by competent Enrolled Agents?
- Do you have a spouse who has voiced concerns about the continuation for the business and/or income stream should an emergency develop?
- Would you be willing to give a three to four hour time commitment per week to aid in the preparation of returns for an ill or disabled Member Enrolled Agent?
- If being willing to give aid during an emergency was the cost of being able to receive aid during an emergency, would you be willing to participate?

Last year the chapter revived a program we had many years ago - The Practice Preservation Group. The purpose of this program is to provide assistance to members of the Chapter (and their families) should the member become incapacitated or die. The goal is to provide short term assistance so that the value of the practice is not lost.

To initiate a response, it is necessary that a participant, or a representative or survivor, knows to call the Chapter Office. The Chapter Office then contacts the Chair of the Practice Preservation Committee who organizes volunteer Enrolled Agents to do what they can to protect the practice. Volunteers are asked to provide 3 to 4 hours per week maximum and will be compensated at 50% of fees charged by the office.

Don’t procrastinate another day. Download the forms and instructions from the Chapter Web Site or call the chapter office for forms and return the completed forms to the chapter office by January 31st. For more information call Linda Fox, EA at 925-846-5913.

COMPREHENSIVE CPE

Are you interested in enhancing our educational program with a full course of study in taxation? Do you know someone who could benefit from such a program? We are interested in your comments and suggestions…

Chapter member Ronald J. Hanson, EA (Danville) would teach and help launch the program through EBAEA. Mr. Hanson has been an enrolled agent since 1984, he has been in private practice since 1979, he holds current California College Teaching Credentials in accounting, and he has extensive experience teaching classes in accounting and taxation.

Program description: A course of study in tax law, theory, practice and procedure covering individuals, partnerships, corporations, estates and trusts with emphasis on passing the IRS Special Enrollment Examination (SEE) and representing taxpayers before the IRS. 4 separate sections over a one-year period: 152 hours CPE credit for EAs, CTEC and other tax practitioners. Wed 6:00 PM to 9:50 PM.

Section I: Tax Law: Individuals
Section II: Tax Law: Corporations, Partnerships, Estates & Trusts
Section III: Tax Law: Practice, Procedure and Representation
Section IV: Tax Law: Review and Prep for EA exam (Current SEE class offered by EABEA)

This will be open enrollment, so you can take one, some or all the classes, it’s up to you and it’s great for review, refresher, client problem solving, CPE credit and much more. The 38 class meetings are each designed to be mini-seminars, collectively making up a full course of study to become an Enrolled Agent. Please contact Ron directly with your comments and suggestions. DEAR AMERICAN:

I NEED TO ASK YOU TO SUPPORT AN URGENT SECRET BUSINESS RELATIONSHIP WITH A TRANSFER OF FUNDS OF GREAT MAGNITUDE.

I AM MINISTRY OF THE TREASURY OF THE REPUBLIC OF AMERICA. MY COUNTRY HAS HAD CRISIS THAT HAS CAUSED THE NEED FOR LARGE TRANSFER OF FUNDS OF 800 BILLION DOLLARS US. IF YOU WOULD ASSIST ME IN THIS TRANSFER, IT WOULD BE MOST PROFITABLE TO YOU.

I AM WORKING WITH MR. PHIL GRAMM, LOBBYIST FOR UBS, WHO WILL BE MY REPLACEMENT AS MINISTRY OF THE TREASURY IN JANUARY. AS A SENATOR, YOU MAY KNOW HIM AS THE LEADER OF THE AMERICAN BANKING DEREGULATION MOVEMENT IN THE 1990S. THIS TRANSACTION IS 100% SAFE.

THIS IS A MATTER OF GREAT URGENCY. WE NEED A BLANK CHECK. WE NEED THE FUNDS AS QUICKLY AS POSSIBLE. WE CANNOT DIRECTLY TRANSFER THESE FUNDS IN THE NAMES OF OUR CLOSE FRIENDS BECAUSE WE ARE CONSTANTLY UNDER SURVEILLANCE. MY FAMILY LAWYER ADVISED ME THAT I SHOULD LOOK FOR A RELIABLE AND TRUSTWORTHY PERSON WHO WILL ACT AS A NEXT OF KIN SO THE FUNDS CAN BE TRANSFERRED.

PLEASE REPLY WITH ALL OF YOUR BANK ACCOUNT, IRA AND COLLEGE FUND ACCOUNT NUMBERS AND THOSE OF YOUR CHILDREN AND GRANDCHILDREN TO WALLSTREETBAILOUT@TREASURY.GOV SO THAT WE MAY TRANSFER YOUR COMMISSION FOR THIS TRANSACTION. AFTER I RECEIVE THAT INFORMATION, I WILL RESPOND WITH DETAILED INFORMATION ABOUT SAFEGUARDS THAT WILL BE USED TO PROTECT THE FUNDS.

HMmmm...

34% of all farm subsidies are paid to farmers in just 10 congressional districts. There are 435 congressional districts in the USA. (CBO)

Americans reporting less than $100,000 of AGI have an effective federal income tax rate of 8% (i.e., dividing their federal income tax paid by their AGI).

Americans reporting at least $100,000 of AGI have an effective federal income tax rate of 19%. (IRS)

Basis is very important. The basis of a partner or shareholder determines what losses can be taken and what losses have to be suspended and carried forward to future years. It determines whether withdrawals and distributions are taxable or not. It determines the tax liabilities at time of liquidation and dissolution of the entity. Not taking into account your client’s basis can drastically change the tax due on the client’s personal return.

Each seminar offers four (4) hours of CPE
