February Topic: “FTB Tax Panel”
Speakers: Karen Brosi, EA, CFP®, and Steve Sims, EA, FTB Taxpayer Advocate
by Irene Moore, EA Program Chair
This month we will have our annual panel discussion on California tax issues. Questions will be taken during dinner, but they will be answered in the order received, with all the emailed questions going first. If your question is complex, PLEASE email it in early so the panel will have a chance to research it before the event.

It is crucial to e-mail your questions to Mike Power (mike@PowerInvesting.Net) by the afternoon of Monday, Feb. 15th, if you want to have the best chance of having them answered.

As in years past, the session will be transcribed and the questions and answers will be emailed to everyone on the Chapter NEWS mailing list, so if you’re not on that, go to

http://ebaea.org/cgi-bin/dada/mail.cgi

and select the NEWS list from the pull-down menu and follow the simple instructions to subscribe to that list.

Our panelists will be Karen Brosi, EA, CFP®, and Steve Sims, EA, from FTB. Steve is one of the few FTB employees you’ll ever meet who is also an EA. He has been with FTB for over 25 years (I guess he was about 17 when he started there) and has worked as an auditor, collection supervisor, and project manager. He is the FTB Taxpayer Advocate. Steve is living proof that good guys do sometimes wear black hats.

Karen, who is deservedly well-known to most of us, has been practicing in Palo Alto for nearly 20 years. She is a Certified Financial Planner® and an Enrolled Agent. She was a senior tax specialist and director of financial planning at a respected Palo Alto CPA firm before forming her own practice. Karen is a past-president of Golden Gate Chapter and past officer of CSEA. She lectures with Western CPE, is often a speaker at CSEA Super Seminars, and writes content for several major tax publications.

PRESIDENT’S MESSAGE
by Peggy Hall, EA
PLAN FOR SUCCESS
DON’T SETTLE FOR LESS
READY, SET, GO!

It is time to apply the knowledge you have acquired during the year. We have new forms, worksheets, deductions and credits. The simplified definition of “qualified child” is being further “simplified”. And for some, claiming the standard deduction will require a worksheet. Don’t you just love it? It is the perfect job for a person who never gets tired of learning.

Are you willing to consider being on the Board of Directors of EBAEA starting in May? If so, please contact Thomas Johnston, EA at 925-828-4500. We have a lot of enthusiasm in the chapter and we want you to grace us with your perspective.

Right now we are busy planning next year’s Tax Talk. We have already secured these knowledgeable speakers: Karen Brosi EA, Vicki Mulak EA, Jennifer
President Shaw said the IRS announcement of implementation of paid preparer registration, certification by examination, continuing education, and ethical standards was a victory for CSEA & NAEA as many of our suggestions were adopted. He suggested this was an opportunity for CSEA and the Chapters to embrace CTEC preparers as Associate Members and provide education to help them to pass the exams as well as CPE. He said there are 40,000 CTEC preparers in CA. There is strength in numbers if we can get some to join us. Later in the board meeting the board authorized staff to offer a reduced membership for new Associate Members during the 2010 calendar year.

**President Shaw said the following are concerns:**
- **Education** - the Super Seminars are in a rut - same tracks and instructors
- **PIA** - has been focused on state legislation. CSEA needs to send more help to the chapters and reach out to the taxpayers.
- **Benefits** - members want warm & fuzzies (they want tangibles)
- **Technology** - is at the axis of all we do; at the core of success or failure; members will get involved if we go to them.
- **CSEA Customer Service** is the key to a successful society.

Executive Vice President Cathy Apker, CAE reported that the staff had been trained to take care of members. She is looking for best response in a timely manner by the staff; also to provide service to the society office and members.

First Vice President Kim Kastl, EA conducted the strategic issues discussions on Leadership Training, Virtual Board Meetings, and Attracting Younger Members. Excellent discussions and ideas were presented by those present.

The Board approved the purchase of new computer equipment and software for the chapter office. The goal is to cut duplication of work and better integration at CSEA and with NAEA systems. The new system should enable the improvement and upgrade of the CSEA web site.

The Nominating Committee reported the slate for next year: Kim Kastl, EA President; Jean Nelsen, EA 1st VP; Raven Deerwater, EA 2nd VP; Alma Guenther, EA Secretary; Don Stacy, EA Treasurer.

Peggy Hall, EA accepted on behalf of East Bay Chapter the prizes for the membership drive winner: $100 for our PIA fund and a bottle of wine from President Shaw’s wine cellar.

CSEA has made an arrangement with BancCard processing for members so they can accept Visa and MasterCard payments at seasonal rates rather than monthly charges. It will also create a non-dues revenue stream for CSEA.
CPE RETENTION REQUIREMENTS

by Patty Pringle, EA

On December 4, 2009 CSEA President David Shaw received a letter from Karen Hawkins, Director of the Office of Professional Responsibility (OPR). Ms. Hawkins expressed concern that EAs are not properly reporting, or are not properly verifying, their continuing education obligations.

OPR recently conducted a random audit of renewing Enrolled Agents’ self-reporting of qualifying Continuing Professional Education (CPE) courses. Many of the EAs did not have, or were not issued, continuing education course completion certificates. OPR intends to continue its random audit approach for all future renewal cycles. EAs who are unable to verify completion of the requisite CPE courses during the required time period as prescribed by Circular 230 risk rejection or revocation of their renewal applications.

The Office of Professional Responsibility provides education and outreach to the tax professional community and administers the enrolled agent exam. To support the IRS’ strategic priorities, OPR ensures the integrity and credibility of the American tax system by working through tax professionals and with IRS operating divisions and functions. Circular 230 changes have created a need to increase awareness among tax professionals regarding the consequences of non-compliance. This awareness, plus increased enforcement and additional legislation, should help deter non-compliance. So what are the requirements? Here are some basic rules:

1. To qualify for continuing professional education credit, a course of learning must be designed to enhance an Enrolled Agent’s professional proficiency in federal taxation or federal tax related matters. This would include accounting courses, tax preparation software and/or ethics (2 hours of ethics are required each year). The fields of study should include subjects dealing with federal tax compliance and tax planning. Compliance covers tax return preparation and review and IRS examinations, ruling requests and protests. Tax planning focuses on applying federal tax rules to prospective transactions and understanding the tax implication of unusual or complex transactions.

2. CPE records should be retained for a period of three years. Sponsors must maintain records to verify the participants who attended and completed the program for a period of three years following completion of the program. Individuals applying for renewal of enrollment must retain CPE records for three years following the date of renewal. Such information should include:
   1. The name of the sponsoring organization
   2. The location of the program
   3. The title of the program and description of its content
   4. Written outlines, course syllabi, textbook, and/or electronic materials provided or required for the course
   5. The dates attended
   6. The credit hours claimed
   7. The name(s) of the instructor(s), discussion leader(s), or speaker(s), if appropriate
   8. The certificate of completion and/or signed statement of the hours of attendance obtained from the sponsor

For additional information please refer to Circular 230.

RESOURCES AVAILABLE AT CSEA

by Cherry Comstock, EA

We all have had our issues navigating different websites. CSEA is no different in that sometimes I find jewels and then sometimes I can’t remember where they were…

This month I’m going to tell you about CSEA’s Media Room. CSEA works closely with all types of media to make information available to the public about the usefulness of using an Enrolled Agent. Likewise, CSEA also will regularly create press releases with pertinent tax related issues. The media room is not password protected. You can direct any interested party to the media room to access wonderful “media type” content.

You access the media page by clicking the “Media Room” words under Media Information on the Home page. Click on the links – you will be amazed by the work that has been done on our behalf by CSEA. In addition to the “Press” types of info there is also a fun, short YouTube video created by our own Communications Coordinator, Clifford Weimer, and available for your use regarding the unique qualifications only and enrolled agents possess. Get full value of all your CSEA membership offers you!

IRS CHANGES SOME EFILE PROCEDURES

By Gerry Kelly-Brenner, IRS goddess-at-large

Yes, the rumors are true...the IRS is really moving into the 21st Century with the Form 1040 Modernized e-File program beginning in February 2010. The computer program schema are already developed, now it's just up to the software vendors if they choose to offer the new XML format. For more information about the 1040 MeF program, visit: http://www.irs.gov/efile/article/0,,id=204750,00.html

My MAIN reason for sending this message is to let you know that if you are an Electronic Return Originator (ERO), you will NOT have to update your e-File application to be allowed access to the new XML format. HOWEVER, if you are a Transmitter, and directly transmit your e-filed returns to the IRS, you WILL need to update your e-file application. If you are not sure what
you are, contact your software vendor and they can let you know.

This is also a reminder to sign up for QuickAlerts, which provide you with the most up-to-date in-
formation of what is going on in the individual and busi-
ness e-file program, including e-form availability up-
dates, delays, etc. If you do not already receive free
QuickAlerts please go to the QuickAlerts signup page at:
http://www.irs.gov/taxpros/providers/article/0,,id=97623
You can no longer call the SSA to verify em-
ployee SSNs by phone. You can only use the Telephone
Number Employer Verification (TEVN) system. You
will need to register at 1-800-772-6270 or at
www.socialsecurity.gov/employer/.

legislation, but IS required retroactively. Letters are be-
ing received by OUR clients NOW. We did the return

**JIM STERN LEGISLATIVE DAY**

*by Morris Miyabara, EA*

On January 8, 2010, I had the pleasure of attend-
ing the Jim Stern Legislative Day at the Capitol in Sac-
ramento. After the welcome address by Gary McKinsey,
(Chair of CSEA's Legislative Committee); CSEA Presi-
dent David A. Shaw's president remarks and Steve Baker
from Aaron Reed & Associates (CSEA's lobbyist in Sac-
ramento), the morning progressed with remarks from
Marty Keller of the Office of Small Business Advocate
from the Governor's Office of Planning and Research.

We were welcomed by Rachel Pitts and given an
overview of the day. Jennifer MacMillian, EA and for-
mer president of CSEA gave a testimony of CSEA. We
were enlightened by comments on legislative perspec-
tives from Walter Hughes, Chief of Staff for Assembly-
man Ed Hernandez and Adam Gray, Legislative Director
and from Senator Ron Calderson. It was very interesting
and informative to hear from these people and get an
insight into how state government operates (or not oper-
ates, depending on your view). Rachel Pitts gave the
group a lesson on Lobby Day 101 expounding of Mar-
ketplace Communications. This tweaked my brain
which was already racing at 100 miles a minute trying to
grasp all that was going on around me up to that point.
As it was my first time attending a Jim Stern Day I was
taking it all in.

Meeting times had been set up by Sharon Stone
Smith, (CSEA special projects director) with legislators
from our respective districts. I was fortunate to have had
the opportunity to visit the office of Assemblywoman
Mary Hayashi and though she was not present I did
speak with her legislative assistant. I thanked her for
sponsoring a bill which is close to me and I expressed
my appreciation for her doing that even though the bill
eventually died in committee. I also visited with Senator
Leland Yee's legislative assistant. I came away from
each of these visits with the feeling that they want to
hear from constituents, they want to know what the pulse
of the people is out there away from their office. They
welcome notes, messages, e-mails, etc.

We topped off the day with a debriefing at
the office of Aaron Reed & Associates. We all had a chance
to individually express our opinions and comment on
how our day went. Then we heard from a representative
of NAEA and were given a recap of the Tax Preparer
Registration Act. Just as some of us had suspected, no
one at the IRS knows as yet how this Act is going to be
implemented. Right now it is all talk. Hopefully, before
year-end we will have something substantial to hang our
hats on.

At the end of the day, I came away thinking that
all of us EAs as small business owners should be in-
volved in legislation which affects us. Too many EAs
are not involved at the state level. If you are not a mem-
er of CSEA I urge you to become a member and get
involved and be vocal. All EAs in California should be
members of CSEA. This is your organization! This is
the organization that speaks on your behalf. Don't be
just a card carrying member. Become involved. Take it
upon yourself to act and not be reactive. Advance, don't
retreat!

WOULD YOU ATTEND A BIMONTHLY EBAEA MEETING IN OAKLAND?
by Peggy Hall, EA

We (Board of Directors) know there are those of you who would come to a dinner (or lunch) chapter meeting if it were held closer to you, and we would like to know how many. So, if we were to hold a lunch or dinner meeting every other month in Oakland would you attend, and would you rather it be lunch or dinner? Please call the chapter office 800 617-1040 to let us know if you would be interested in attending.

On another note, currently we do not have a breakfast meeting in Oakland? Would you be interested in attending one?

IRS NEWS
Unless you’ve been living under a rock lately, you should have heard that IRS has just issued the long-awaited proposals for regulating tax return preparers. The finished report is surprisingly short and readable. See it for yourself at:

HUMM…
In the current 2010 fiscal year (10/1/09-9/30/10), the US Postal Service expects to lose $7.8 billion. Total mail volume in the 2010 fiscal year is projected to be 166 billion pieces of mail, down nearly 37 billion pieces (over 18%) since fiscal year 2008. (US Postal Service)

HUMOR
A Dutchman was explaining the red, white and blue of the Netherlands flag to an American. “Our flag is symbolic of our taxes. We get red when we talk about them, white when we get our tax bills and blue after we pay them.” The American nodded. “It’s the same in the USA, only we see stars, too!”

TAX DEMENTIA QUIZ
First question:
You are a participant in a race. You overtake the second person. What position are you in?

Answer: If you answered that you are first, then you are absolutely wrong! If you overtake the second person and you take his place, you are in second place!

Try to do better next time.

Now answer the second question, but don’t take as much time as you took for the first question, ok?

Second question:
If you overtake the last person, then you are...

Answer: If you answered that you are second to last, then you are.....wrong again. Tell me sunshine, how can you overtake the last person?

You're not very good at this, are you?

Third question:
Very tricky arithmetic! Note: this must be done in your head only.

Do not use paper and pencil or a calculator. Try it.

Take 1000 and add 40 to it. Now add another 1000 now add 30. Add another 1000. Now add 20. Now add another 1000. Now add 10. What is the total?

Scroll down for the correct answer.
Did you answer Nunu? No! Of course it isn't.

Her name is Mary! Read the question again!

Okay, now the bonus round, i.e., a final chance to redeem yourself:

A mute person goes into a shop and wants to buy a toothbrush.

By imitating the action of brushing his teeth he successfully expresses himself to the shopkeeper and the purchase is made.

Next, a blind man comes into the shop who wants to buy a pair of sunglasses. How does he indicate what he wants?

It's very simple. He opens his mouth and asks for it.
