Aug Topic: “Affordable Care Act – What It Means for Businesses and Individuals
Speaker: Peggy Hall, EA
by Peggy Hall, EA Program Chair
Major Questions to Be Addressed
• Which businesses are subject to the employer mandate
• What is the individual mandate
• Who is subject to the mandate and what types of insurance meet the requirements
• How health insurance exchanges will operate and what types of plans they will offer
• Who is eligible for a subsidy and how much
• How will these reforms be financed
• Who is liable for the new .9% “Medicare” surtax
• When does the new 3.8% net investment income surtax apply

The ACA is chock full of complex rules, mandates, incentives and tax code changes. Are your clients asking you questions? Do you have the answers? Come to this dinner meeting to learn what the Affordable Care Act means to your clients. There is a lot to cover so we will focus on the Individual Mandate and the two new surcharges, the .9% “Medicare” tax on earned income and the 3.8% tax on net investment income. You will come away with a list of resources to further investigate when other questions arise.

Peggy Hall, EA has been preparing tax returns since 1984. She has owned her own business most of that time; receiving her Enrolled Agent license in 1999. Peggy has been studying the minutiae of the massive health care overhaul plan and is ready to present some of the main topics which affect our tax practices.

PRESIDENT’S MESSAGE
by P. Gail Nanbu, EA

CSEA’s 37th Annual Meeting, co-hosted by the EBAEA and Big Valley Chapters, was a great success. The Chapters deserve a resounding round of applause! This was a busy week of activity in July at the Four Points by Sheraton Hotel in Pleasanton. Co-Chairs Patty Pringle, EA, from East Bay, and Connie Farrell, EA, from Big Valley led an enthusiastic group of volunteers to ensure that this Annual Meeting was one of, if not THE, best in recent years.

Thanks in part to the many East Bay golfers and “duffers,” the Jim Reed Golf Tournament had a record number of participants and was the most successful tournament in many years. The Bocce Ball Tournament was a successful, sold-out, fun-filled event. Every participant, including many from East Bay, had a great time trying to hit the little metal pallino ball with the larger bocce balls. Participants from Chapters all over California were so serious in determining which team was closer to the elusive metal ball that measuring tapes were constantly used to determine which team’s bocce ball was closest! The Member Dinner, aka EA Family Feud, was a “blast,” with an enthusiastic crowd and passionate Feud players answering tax-related questions. East Bay fielded its own knowledgeable Family Feud team; but,
First place wasn’t in the stars for us that night.

The newly-elected CSEA Officers and the new CSEA Board of Directors were sworn in at the Grand Banquet Celebration. Our own Al Wise, EA, was installed as one of the new Directors. At least two tables of East Bay members, including several of our Board members were in attendance to witness Al’s installation.

East Bay’s representation extended to the General Session, where Peggy Hall, EA, was one of the Sergeants-at-Arms, whose duty it was to verify that attendees were members in good standing with CSEA and eligible to vote. The slate of CSEA officers was nominated and elected. Betsy Buckingham, EA, NAEA President was present and spoke. Annual Meeting Chairs included Andy Rogers, EA, Rules; and Patty Pringle, EA, Program.

East Bay members were also present at the Town Hall Session and at the various CSEA Committee Meetings, including PIA, Legislative Affairs, Audit, Bylaws, Political Action, Membership, Education, Ethics and Professional Conduct, and Finance and Budget Committees. One advantage to having East Bay members attend so many of these events and meetings is to retain the flow of information between the Chapter and CSEA, and to keep our members aware of CSEA activities and issues.

Thank you to all the members who volunteered and who participated in the many Annual Meeting activities. It reminds us that as we go about our very serious work to help our clients with their many tax situations, EAs can occasionally have a bit of fun while at the same time increase our professional network by working and playing alongside other EAs from throughout California.

ETHICS

This year the best place to get your 2 hours of Ethics will be at East Bay TaxTalk on November 6, 7, and 8. Jennifer MacMillen will be the speaker. She makes the topic interesting. We will not be offering a separate Ethics dinner meeting so watch for the coming details and sign up for East Bay TaxTalk.

FREE DINNERS

There may be no free lunches, BUT there is a free dinner with the Chapter through the popular Monthly Dinner Subscription. This plan grants you automatic reservations at all eleven EBAEA Chapter dinner meetings for one locked-in price. You pay for nine regularly priced meetings ($315) and get all eleven dinners (value $385). This plan is ONLY offered through our August meeting. Enrolling before the August meeting assures you of ten meetings for $315, which still gives you one free dinner. April is always dark (with no meeting). There is no refund for missed meetings. You may send a substitute if you are unable to attend a specific meeting. Please call and cancel if you cannot attend.

CHECK YOUR CE ONLINE @ IRS

by Mark Bole EA, Continuing Ed Chair

For most of us, our third annual PTIN renewal is coming up in less than six months. If you renew your PTIN by paper and mail, the rest of this note may not be helpful to you. But if you renew electronically, as most of us do, you should know that you can log in to your PTIN account right now and check how many official CE (continuing education, IRS uses “CE” instead of “CPE”) hours the IRS has on file for you in their database. (Log in the same way as if you were going to initiate your PTIN renewal).

The CE requirements to maintain EA status are documented in Circular 230. Effective 2013, any valid CE must have an IRS course number assigned in advance, and the course provider must report the information in a timely fashion back to the IRS for each attendee.

You can see fairly current info, for example in late June, my May dinner meeting CE was already recorded. My advice is if it has been more than 6 six weeks since you took a course and it still doesn't show up, you should start inquiries now, rather than wait until year end. Any CE that you receive through EBAEA will normally show “CSEA” as the provider, since the state organization provides this service for its chapters. EBAEA could become a provider on its own, but is not planning to do so at this time.

Please recall, as previously reported, that no CE credit was provided for the January 16, 2013 dinner meeting, so you will not see this on your report.

HUMOR

An enrolled agent called his mother in Florida, “Mom, how are you?” “Not too good,” said the mother. “I’ve been very weak,” The EA said, “why are you so weak?” She said, “Because I haven’t eaten in 38 days.” The EA said, “That’s terrible. Why haven’t you eaten in 38 days?” The mother answered, “Because I didn’t want my mouth to be filled with food if you should call.”

Suppose you were an idiot. And suppose you were a member of Congress. But then I repeat myself. -- Mark Twain

In my many years I have come to a conclusion that one useless man is a shame, two is a law firm and three or more is a Congress. -- Anonymous

Talk is cheap...except when Congress does it. -- Anonymous

Two husbands were discussing their married lives. Although happily married, they admitted that there were arguments sometimes. Chad said, “I’ve made one great discovery. I know how to always have the last word” “Wow!” said Sherman, “how did you manage that?” “It’s easy,” replied Chad. “My last word is always “Yes, Dear.”

Teacher to a student: “Can you think of a solution to end unemployment?” “Yes, sir! I’d put all the men on one island and the women on another.” “And what would they be doing then?” “Building boats!”

While attending a marriage seminar dealing with communication, Jack and his wife, Barb, listened to the instructor. “It is essential that husbands and wives know the things that are important to each other.” He addressed the man, “Can you describe your wife’s favorite flower?” Jack leaned over, touched Barb’s arm gently and whispered, “It’s Pillsbury, isn’t it?”

Over breakfast one morning, a woman said to her husband, “I bet you don’t know what day this is.” “Of course I do,” he indignantly answered, going out the door on his way to the office. At 10am, the doorbell rang, and when the woman opened the door, she was handed a box containing a dozen long-stemmed red roses. At 1pm, a foil-wrapped, two pound box of her favorite chocolates arrived. Later, a boutique delivered a designer dress. The woman couldn’t wait for her husband to come home. “First the flowers, then the candy, and then the dress!” she exclaimed. “I’ve never spent a more wonderful Groundhog Day in my whole life!”

Patty Pringle, EA, Seminar Chair

The East Bay Association of Enrolled Agents Annual Fall Seminar
Tax Talk 2013 will be held at the Holiday Inn in Dublin, CA on
November 6th, 7th and 8th.

Once again we have lined up well known speakers to present topics that are
current and relevant to all tax professionals. As tax professionals we are required
to maintain our Continuing Education and are seeking ways to maximize our ed-
ucation dollar, plus get quality education. EBAEA realizes this and our Tax Talk
2013 Seminar provides up to 24 hours of CPE at an affordable cost. Topics in-
clude; Appeals (how to be more appealing to the IRS), Ethics, Cancellation of
Debt (the saga continues), DOMA, Tax Law Update, Affordable Care Act and
other relevant topics.

Be sure to stay after the regular seminar on Wednesday for wine and cheese
featuring “After Hours with CSEA Tax Resource Specialist, Joe Calderaro, EA”. Get your tax questions answered in a relaxed setting.

In addition to the excellent educational offerings we continue to provide a
continental breakfast, great lunch choices and afternoon snacks. No need go off
site to scramble for food. Relax and enjoy networking with your colleagues. All
materials and food are included in the cost of registration.

There are many advantages to attending a live seminar. You get to
NETWORK with your fellow tax professionals and ask the speaker questions.

Exact details of the seminar and the registration form will be sent out in an
eblast in August.

This is a Chapter sponsored event and all proceeds go back to the chapter
and are used for other special events and programs for EBAEA Membership.
This event would not be possible without the hard work of the many volunteers
that make it happen. Please let me know if you would like to join in and volun-
teer (you might even have fun). Your help will be greatly appreciated!
TO ALL THE KIDS WHO SURVIVED
the 1930’s, 40’s, 50’s, 60’s and 70’s!

First, we survived being born to mothers who smoked and/or drank while they were pregnant. They took aspirin, ate blue cheese dressing, tuna from a can and didn’t get tested for diabetes. Then after that trauma, we were put to sleep on our tummies in baby cribs covered with bright colored lead-based paints.

We had no childproof lids on medicine bottles, locks on doors or cabinets and when we rode our bikes, we had baseball caps not helmets on our heads. As infants and children, we would ride in cars with no car seats, no booster seats, no seat belts, no air bags, bald tires and sometimes no brakes. Riding in the back of a pick-up truck on a warm day was always a special treat.

We drank water from the garden hose and not from a bottle. We shared one soft drink with four friends, from one bottle and no one actually died from this. We ate cupcakes, white bread, real butter and bacon. We drank Kool-Aid made with real white sugar. And, we weren’t overweight. WHY?

Because we were always outside playing...that’s why! We would leave home in the morning and play all day, as long as we were back when the streetlights came on. No one was able to reach us all day. And, we were O.K. We would spend hours building our go-carts out of scraps. And then ride them down the hill, only to find out we forgot the brakes. After running into the bushes a few times, we learned to solve the problem.

We did not have Playstations, Nintendo’s and X-boxes. There were no video games, no 150 channels on cable, no video movies or DVD’s, no surround-sound or CD’s, no cell phones, no personal computers, no Internet and no chat rooms. WE HAD FRIENDS, and we went outside and found them!

We fell out of trees, got cut, broke bones and teeth. And there were no lawsuits from these accidents. We ate worms and mud pies made from dirt, and the worms did not live in us forever. We were given BB guns for our 10th birthdays, made up games with sticks and tennis balls and, although we were told it would happen, we did not put out very many eyes. We rode bikes or walked to a friend’s house and knocked on the door or rang the bell, or just walked in and talked to them.

Little League had tryouts and not everyone made the team. Those who didn’t had to learn to deal with disappointment. Imagine that!!

The idea of a parent bailing us out if we broke the law was unheard of. They actually sided with the law!

These generations have produced some of the best risk-takers, problem solvers and inventors ever. The past 50 years have been an explosion of innovation and new ideas. We had freedom, failure, success and responsibility, and we learned how to deal with it all.

If you are one of them? CONGRATULATIONS! You might want to share this with others who have had the luck to grow up as kids, before the lawyers and the government regulated so much of our lives for our own good. While you are at it, forward it to your kids so they will know how brave and lucky their parents were.

Kind of makes you want to run through the house with scissors, doesn't it?

The quote of the month is by Jay Leno:
“With hurricanes, tornados, fires out of control, mud slides, flooding, severe thunderstorms tearing up the country from one end to another, and with the threat of swine flu and terrorist attacks; are we sure this is a good time to take God out of the Pledge of Allegiance?”
