February Topic: “FTB Tax Panel”
Speakers: The Dynamic Duo: Karen and Steve!
by Peggy Hall, EA  Program Chair

This month we will have our annual panel discussion on California tax issues. If time allows, questions will be taken during dinner, but they will be answered in the order received, with all the emailed questions going first. If your question is complex, PLEASE email it in early so the panel will have a chance to research it before the event.

It is crucial to email your questions to Mike Power (mike@PowerInvesting.Net) before 3pm on Monday, Feb. 17th, if you want to have the best chance of having them answered. If Mike does not email you back within 24 hours of your submission confirming that he received your question, then please call him at (510) 366-8836 to ensure he received it.

As in years past, the session will be transcribed and the questions and answers will be emailed to every one on the Chapter NEWS mailing list, so if you’re not subscribed to that list, go to

http://ebaea.org/cgi-bin/dada/mail.cgi

and select the NEWS list from the pull-down menu and follow the simple instructions to subscribe to that list.

Our panelists will be Karen Brosi, EA, CFP®, and Steve Sims, EA, from FTB. Steve is one of the few FTB employees you’ll ever meet who is also an EA. He has been with FTB for 28 years and has worked as an auditor, collection supervisor, and project manager. He is the FTB Taxpayer Advocate, responsible for ensuring that taxpayers’ rights are protected. As the Advocate his responsibilities include the coordination and resolution of taxpayer complaints and problems; and education and outreach efforts to taxpayers and tax practitioners. Steve serves as a trustee for the CSEA Education Foundation. He is living proof that good guys do sometimes wear black hats.

Karen, who is deservedly well-known to most of us, has been practicing in Palo Alto for over 20 years. She is a Certified Financial Planner® and an Enrolled Agent. She was a senior tax specialist and director of financial planning at a respected Palo Alto CPA firm before forming her own practice. Karen is a past president of Golden Gate Chapter and past officer of CSEA. She is a speaker at CSEA SuperSeminars and for Western CPE and writes for several major tax publications.

PRESIDENT’S MESSAGE
by P. Gail Nanbu, EA

And, So It Begins…

What is a foot tall (NOT your president, Gail), about 4 million words, and has been changed 4,000 times since 2001? You got it, our beloved Tax Code!

Having just attended a tax update, I am in a spin! It is never a walk in the park to speed through the new tax legislation (federal and California) and learn how it will impact our clients. ACA (The Affordable Care Act, or as my clients call it, Obamacare) is of particular interest
to my clients because of the new Medicare taxes of 3.8% and 0.9% for those “higher” income taxpayers; and because of some taxpayers’ worry of how much they will be “taxed” because they “didn’t get their health coverage via the ‘Insurance Exchange.’” Rumors abound out there because taxpayers are confused about ACA and how it really impacts each one of them individually.

ACA notwithstanding, it is always a challenge to make sure we apply the correct information to each of our clients’ tax situations. In California, we always wrestle with conformity and nonconformity. There is always something new, or old, to learn and remember. As I heard Peggy Hall, EA, once say, “It is the perfect job for a person who never gets tired of learning.”

But, that is what clients of EAs have come to understand and respect. EAs are licensed by the IRS and are specifically trained in tax planning, preparation and representation. We hold the most expansive license the IRS grants. We must adhere to IRS education requirements, as well as CSEA and NAEA requirements. So during this “season,” whether your head is spinning or buried in tax research, remember how much your tax expertise will help your clients in preparing their returns, whether individual, business, estate, gift or tax.

And, if you need more help, keep in mind that EBAEA has the California Tax Panel at our February 19 dinner meeting, and the Federal Tax Panel at our March 19 dinner meeting. Additionally, bring your questions to our various Small Group Tax Meetings. You can check the Bulletin for location and time.

Thus armed with about 4 million Tax Code words, and immune to the many yearly changes in that Code, we begin the yearly onslaught to chop down taxes (as Duncan says) and help our tax clients pay only their fair share. Have a great season!

**WANT NEW CLIENTS?**

*by Peggy Hall, EA, PIA Co-Chair*

Your Public Information and Awareness team is hard at work. This year we are joining with Golden Gate Chapter to put large posters at BART stations in the East Bay and San Francisco. The large posters (see the end of this Bulletin) carry the message:

Taxes Are Complicated. Don’t Risk It!
EAs Are Tax Pros
findanea.com

FindanEA.com is a new website developed by Golden Gate Chapter that will refer people to an EA according to zip code. It is a beautiful website, check it out. We are putting the contact information for all of our active members into that website. IF YOU DO NOT WISH TO BE INCLUDED PLEASE OPT OUT by emailing ebaea@ebaea.com ASAP, preferably before the end of December.

Golden Gate Chapter will be covering BART stations in San Francisco.

We tried to represent all of the areas in the East Bay where we have members. Here are the 6 BART stations in which we chose to place the posters.

**CSEA BOD and JIM STERN DAY**  
*by Al Wise, EA, CSEA Director and EBAEA 1st VP*

This year started off with a bang. From January 10th to the 12th, I was in Sacramento attending Jim Stern Legislative Day and California Society of Enrolled Agents Board meeting.

On January 10th, a group of Enrolled Agents including our president Gail Nanbu and I gathered at the state capitol for Jim Stern Legislative Day. We were assigned different legislators to visit and talk to about four key issues that are effecting California taxpayers. Our job was to explain these issues and why they should support our positions. The four issues were:

1) Changing the due date for business entities that are required to file a Statement of information to coincide with the due date to file their state tax return,
2) Support state government and CSEA working together to find a solution to the problem of business entities being unable to dissolve once they are formed but not launched,
3) Extend California’s mortgage forgiveness law so that it is in conformity with federal law, and
4) Support the changes to SB 1244 that would amend the language so that it is in conformity with federal law. (If anyone would like the position papers on these issues, please email me)

What was really cool was that I got to go to Susan A. Bonilla, my Assemblywoman’s office. It was a small office without a lot of trappings.

On January 11th I attended the Finance & Budget, Education and Political Action Committee meetings. In the Finance committee, we reviewed our California Society of Enrolled Agents budgeted Income Statement. We also reviewed and got clarification on budgeted line items that had variance of more than $4,000. We reviewed CSEA’s investment reports which included amounts of investments and rates of return on investments.

In the Political Action Committee, we were given a presentation on various ways CSEA is planning on raising funds. It all starts with us. This committee needs our help to be active in protecting our interests. They ask all to log on to the CSEA website and make a non-deductible contribution of $5 or more.

California Society of Enrolled Agents is your organization and I am proud to be a member.
TAX HELP DAY
by Andy Rogers, EA

Tax Help Day is Friday March 7th, 9 am - 4 pm

Tired of explaining what an Enrolled Agent is? Take a break from your tax practice for a few hours and join EBAEA and CSEA to help promote Enrolled Agents in California!

As a public service, we will answer questions in two locations this year, and other chapters of CSEA will be at locations throughout California this day.

We will not prepare any returns, provide any written advice, or bill anyone for our work. But we will answer taxpayer questions while informing people of the Enrolled Agent designation.

We have two locations this year:

Lafayette Chamber of Commerce, 100 Lafayette Circle in Lafayette, and

Women's Initiative for Self Employment, 1814 Franklin St, Suite 200 Training Room, Oakland.

Please email Andy@TaxBuddha.com or phone 510-332-0401 to sign up on our list of volunteers. We currently need help at both locations for both shifts. Shifts are 9 am - 1 pm, and noon - 4 pm.

FRUITS OF LEGISLATIVE DAY 2014
by Peggy Hall, EA, PIA Co-Chair

I spent a few hours with Gail Nanbu, EA and Aida Torres, EA making legislative visits. We picked up some slack and visited legislators outside of our district. We visited the offices of Senator Mark DeSaulnier (7th dist), and Assembly members Joan Buchanan (16th dist), Steve Fox (36th dist), Nancy Skinner (15th dist), and Marie Waldron (75th dist).

I want to report the results of the legislative visits of CSEA members that day.

1) Assembly member Brown will be sponsoring a bill that will be introduced in February to fix the timing of Statements of Information from the Secretary of State to coincide with tax filing dates.

2) Senator Mimi Walters will be a sponsor of a bill to fix the PIT problems of SB 1244. SB 1244 brought conformity with federal for treatment of LLC members for purposes of payroll taxes, but left out conformity for PIT purposes.

3) Assembly member Diane Harkey’s office submitted a “spot bill” to suggest an administrative change to fix the dissolution/reverter issue of entities that never officially launched but are accruing taxes.

Make sure you tell your clients that you are part of an organization that is pounding on the desks of legislators to advocate for “you” (meaning that very client that you are talking to).

EBAEA ORIENTATION
by Aida Q. Torres EA, Membership Chair

The Orientation on January 15th only had one new EA signing up (Mons Cedercreutz EA), but to our delight three veterans also attended (Juliann Martinez EA, Katherine Judd EA, and Robert Olsen EA).

Al Wise EA, (EBAEA 1st VP) gave introductions and Peggy Hall EA discussed mentoring, networking and some educational opportunities, including the EA version of graduate school - NTPI. A packet of useful information and practice tools was given to each attendee and the parts were discussed, with many questions raised and answered. All the attendees, including the presenters, thought it was a very valuable session, and a good example of the benefits of active participation in Chapter activities. My thanks go to Carolyn Krieg EA for invaluable help in organizing this meeting.

If you could not attend the meeting but want more information, please contact me.

CSEA PRESIDENT VISITS EBAEA
by P. Gail Nanbu, EA

Patricia Kappen, EA, CSEA President, visited our Chapter at our last dinner meeting on January 15, 2014. She also attended our Board of Directors meeting. Patti spoke of the relationship between NAEA, CSEA and our Chapter; and how these three entities unify to promote and advocate for our members. She says that her favorite part of visiting the various Chapters is to meet the members – all of you who take part in our monthly dinner meetings and more.

At the dinner meeting, Ms. Kappen awarded CSEA President Letters of Commendations to Lonnie Gary, EA; Patty Pringle, EA; and Peggy Hall, EA. Each of these EBAEA members has contributed continuous volunteer service for many years at the Chapter, State and National levels. They also continuously and effectively promote all of us - the Enrolled Agent.

Patti and Bill Stewart, EA, who accompanied the President, were quite impressed by the education presentation on employee stock options by Phil Fiegler, EA, another EBAEA member who has volunteered his services in many ways for many years.

Ms. Kappen has been nominated as CSEA President on the 2014-2015 slate by the CSEA Nominating Committee. The slate includes:

President: Patricia Kappen, EA
1st VP: Douglas Pickford, EA
2nd VP: Torie Charvez, EA

EBAEA MINI-SEMINAR: NET INVESTMENT INCOME TAX FOR TRUSTS AND ESTATES
by Mark Bole EA, Continuing Ed Chair

SAVE THE DATE!

Much has been written and presented in our tax update classes regarding the new NII tax which will affect most of our higher-income clients. But it is also important to know how the NII tax will interact with Form 1041 taxation, especially since the NII tax bracket for trust and estate income begins at a much lower level than it does for individuals. Be sure to keep your clients informed of the steps they and their financial professionals can take to minimize the impact of NII on trust and estate income.

Date: Fri, Feb 28, 2014 10:30-11:30am
Location: Walnut Creek, 1 mile from Pleasant Hill BART and I-680 freeway
Cost: $25 (will be available through 123-Signup)

3) The Bulletin Editor reserves the right to edit any notice for style, content and length.

4) All notices must be submitted (and payment received) by the 25th of the month prior to initial publication. Send the desired text to bulletin@ebaea.org

Member notices offering other services or products, and all non-Member notices are run at the standard fee of $150 for the three-month insertion. The Bulletin Editor reserves the right to modify or reject any notice which, in the sole opinion of the Editor, violates any of the principles of EBAEA.

**WHAT IS YOUR COMPETITION DOING?**

ERO data from the IRS, current through June 2013, lets you see how many returns have been e-filed for the last three years by tax offices in your vicinity, by firm name, address, and email. This can be used for business planning purposes, or to check whether your employees are filing returns on the side. Commercial services charge hundreds of dollars to provide this data to you in spreadsheet format.

I have gone to the trouble to obtain the same data and process it, and am offering data extracts to fellow EBAEA members on the following terms: either pick up the tab for a nice breakfast or lunch with me within five miles of Walnut Creek, where we can review the data and as a side benefit, increase our one-to-one professional networking, or pay a nominal fee of $20 to cover my overhead for the data extract. Contact Mark Bole, EA, at mark@MarkBoleTax.com for further details.

HUMOR
Mr Johnson was overweight, so his doctor put him on a diet. He said “I want you to eat regularly for two days, then skip a day, and repeat this procedure for two weeks. The next time I see you, you should have lost at least five pounds.” When Mr Johnson returned, he shocked the doctor by having dropped almost twenty pounds. “Why, that’s amazing!” the doctor told him. “You did this just by following my instructions?” The slimmed down Mr Johnson nodded. “I’ll tell you, though, I thought I was going to drop dead that third day.” “From hunger, you mean?” “No” replied Mr Johnson, “from skipping.”

Teacher: Now, Simon, tell me frankly, do you say prayers before eating?
Simon: No sir, I don’t have to. My mom is a good cook.
